## **BULLETIN BOARD INQUIRY**

Dear Community Television Participant,

Thank you for inquiring about the Redding Community Access Bulletin Board Service. Announcements on the television screen are cablecast on Channel 11 on the Charter Communications cable system. Over 36,000 households in the cities of Redding, Anderson and Shasta Lake along with parts of the unincorporated areas of Shasta County subscribe to this television cable system.

Clubs, nonprofit organizations, governmental agencies and individuals can make announcements or promotions about their organization on the Community Bulletin Board Service. A donation of \$5 a week per page is requested. The announcements are usually 30 seconds in length for each showing with at least five showings per day. Also offered is the Upgraded Template with logo and digital image for those clients wishing a more elaborate presentation format for their announcements. This helps clients establish an identity for their announcements when shown on Channel 11. The logo and digital/photo image must be camera ready and provided by the client.

If you would like to place an announcements, please make donation checks payable to Redding Community Access Corp. (or RCAC) and submit them to Redding Community Access along with your announcement. Please be sure to include your non-published contact information such as name, address, phone number and the week you desire the announcement to be shown.

On behalf of everyone here at RCAC, thank you for your inquiry.

Sincerely,

---

President - Ed Ballantine
